Gore et al. Supplemental Table 1: Complete list of signatories, professional information, and disclosures.

1. Signatories

A. Journal Editors-in-Chief

Prof. Jacques Balthazart, Ph.D.
University of Liege
GIGA Neurosciences
Belgium
Co-Editor-in-Chief, *Frontiers in Neuroendocrinology*

David O. Carpenter, M.D.
Director, Institute for Health and the Environment
State University of New York
United States
Editor-in-Chief, *Reviews on Environmental Health*

Paul Czernichow M.D.
Professor Emeritus of Pediatrics
University of Paris
France
Editor-in-Chief, *Hormone Research in Paediatrics*

Donald B. DeFranco, Ph.D.
Professor & Vice Chair Medical Education
Dept Pharmacology & Chemical Biology,
University of Pittsburgh, Pennsylvania
United States
Editor-in-Chief, *Molecular Endocrinology*

Robert M. Dores, Ph.D.
Professor
Department of Biological Sciences
University of Denver, Colorado
United States
Co-Editor-in-Chief, *General and Comparative Endocrinology*

Andrea C. Gore, Ph.D.
Gustavus & Louise Pfeiffer Professor of Pharmacology & Toxicology
The University of Texas at Austin, Texas
United States
Editor-in-Chief, *Endocrinology*

David Grattan, Ph.D.
Professor and Head
Department of Anatomy
University of Otago
New Zealand
Editor-in-Chief, *Journal of Neuroendocrinology*

Stephen R. Hammes, M.D., Ph.D.
Louis S. Wolk Distinguished Professor of Medicine
Chief, Division of Endocrinology & Metabolism  
University of Rochester Medical Center, New York  
United States  
Editor-in-Chief elect, *Molecular Endocrinology*

Patrick R. Hof, M.D.  
Regenstrief Professor and Vice Chair, Fishberg Department of Neuroscience and Friedman Brain Institute  
Icahn School of Medicine at Mount Sinai, New York  
United States  
Editor-in-Chief, *Journal of Comparative Neurology*

Carol Lange, Ph.D.  
Professor of Medicine & Pharmacology  
Tickle Family Land Grant Chair of Breast Cancer Research  
Director, Cell Signaling Program  
University of Minnesota Masonic Cancer Center, Minneapolis  
United States  
Editor-in-Chief, *Hormones and Cancer*

Jon E. Levine, Ph.D.  
Director  
Wisconsin National Primate Research Center  
Madison, Wisconsin  
United States  
Co-Editor in Chief, *Frontiers in Neuroendocrinology*

Professor Robert P Millar, F.R.S.E.  
Director: Mammal Research Institute  
University of Pretoria,  
Director: UCT/MRC Receptor Biology Unit  
University of Cape Town  
South Africa  
Research Fellow: Centre for Integrative Physiology  
University of Edinburgh  
United Kingdom  
Editor-in-Chief, *Neuroendocrinology*

Deborah M. Power, Ph.D.  
Professor  
Department of Biosciences  
Universidade do Algarve, Faro  
Portugal  
Co-Editor-in-Chief, *General and Comparative Endocrinology*

E. Chester Ridgway, M.D., M.A.C.P.  
Frederic C. Hamilton Endowed Professor, and Distinguished Professor of Medicine  
Senior Associate Dean for Academic Affairs  
Executive Vice Chair, Department of Medicine  
University of Colorado School of Medicine  
Denver, CO  
United States  
Editor-in-Chief, *Endocrine Reviews*

Johannes A. Romijn, M.D., Ph.D.
Professor of Medicine  
Chairman, Division of Medicine  
Academic Medical Center, University of Amsterdam  
Netherlands  
Editor-in-Chief, *European Journal of Endocrinology*

Deputy Director, Queensland Children’s Medical Institute  
Professor, University of Queensland  
Royal Children’s Hospital, Brisbane  
Australia  
Co-Editor-in-Chief, *Reviews on Environmental Health*

Hubert Vaudry, Ph.D., Dr. Sci.  
INSERM U982  
International Associated Laboratory Samuel de Champlain  
Regional Platform for Cell Imaging (PRIMACEN)  
University of Rouen  
France  
Editor-in-Chief, *Frontiers in Neuroendocrine Science*; Senior Editor, *Journal of Neuroendocrinology*;  
Associate Editor, *Hormone and Metabolic Research*; Associate Editor, *General and Comparative Endocrinology*; Associate Editor, *Peptides*; Editorial Board: *Endocrinology*

Kim Wallen, Ph.D.  
Dobbs Professor of Psychology and Behavioral Neuroendocrinology  
Department of Psychology and Yerkes National Primate Research Center  
Emory University  
Atlanta, GA  
United States  
Editor-in-Chief, *Hormones and Behavior*

Leonard Wartofsky, M.D., M.A.C.P.  
Chairman, Dept. Medicine  
Washington Hospital Center, Washington, D.C.  
United States  
Editor-in-Chief, *Journal of Clinical Endocrinology and Metabolism*

Cheryl S. Watson, Ph.D.  
Professor  
Biochemistry and Molecular Biology  
University of Texas Medical Branch  
Galveston, Texas  
United States  
Editor-in-Chief, *Endocrine Disruptors*

B. Journal Associate Editors
Ake Bergman, Ph.D.
Professor in Environmental Chemistry, Head of the Environmental Chemistry Unit
High-end foreign expert and guest professor at College of Environmental Science and Engineering at Tongji University, Shanghai, China
Department of Materials and Environmental Chemistry
Stockholm University, Stockholm
Sweden
Associate Editor, Archives of Environmental Contamination and Toxicology (AECT)
Editor, Environmental Science and Pollution Research (ESPR)

Daniel Bikle, M.D., Ph.D.
Professor of Medicine & Dermatology
VA Medical Center and University of California at San Francisco, California
United States
Associate Editor, Endocrinology

Barbara A. Cohn, Ph.D.
Director, Child Health and Development Studies
Public Health Institute
Oakland, California
United States
Associate Editor, Endocrine Disruptors

David Crews, Ph.D.
Ashbel Smith Professor of Zoology and Psychology
Section of Integrative Biology
University of Texas at Austin, Texas
United States
Associate Editor: Endocrine Disruptors; Journal of Experimental Zoology; Ecological Genetics and Physiology; Sexual Development; Epigenetics

Peter L. DeFur, Ph.D.
Adjunct Professor
Center for Environmental Studies
Virginia Commonwealth University, Virginia
United States
Associate Editor, Endocrine Disruptors

Evanthia Diamanti-Kandarakis, M.D., Ph.D.
Professor of Medicine-Endocrinology & Metabolism
Head of Third Department of Medicine
Medical School University of Athens
Sotiria Hospital, Athens
Greece
Associate Editor, European Journal of Endocrinology

Anthony N. Hollenberg, M.D.
Chief Division of Endocrinology, Diabetes and Metabolism
Beth Israel Deaconess Medical Center
Professor of Medicine
Harvard Medical School, Boston, Massachusetts
United States
Associate Editor, Endocrinology
Susan Jobling, Ph.D.
Head, Institute for the Environment
Professor in Ecotoxicology
Brunel University
United Kingdom
Associate Editor, Endocrine Disruptors; Editor, Chemosphere

Jun Kanno, M.D., Ph.D.
Head, Division of Cellular & Molecular Toxicology
Biological Safety Research Center
National Institute of Health Sciences
Japan
Associate Editor, Environmental Health Perspectives

Carolyn Klinge, Ph.D.
Professor
Dept. of Biochemistry & Molecular Biology
University of Louisville, Kentucky
United States
Associate Editor, Endocrine Disruptors

B. Paige Lawrence, Ph.D.
Associate Professor of Environmental Medicine and of Microbiology and Immunology
University of Rochester Medical Center, New York
United States
Associate Editor, Endocrine Disruptors

Adrian V. Lee, Ph.D.
Professor,
Dept Pharmacology & Chemical Biology; Human Genetics; Director, Women’s Cancer Research Center,
University of Pittsburgh Cancer Institute and Magee Womens Research Institute, Pennsylvania
United States
Associate Editor, Endocrinology

J.P. Myers, Ph.D.
CEO/Chief Scientist
Environmental Health Sciences
Adjunct Professor of Chemistry, Carnegie Mellon University
United States
Associate Editor, Endocrine Disruptors

Randy J. Nelson, Ph.D.
Professor and Chair
Department of Neuroscience
The Ohio State University Wexner Medical Center
Columbus, Ohio
United States
Associate Editor, Hormones and Behavior

Miquel Porta, M.D., M.P.H., Ph.D.
Senior Scientist and Professor, Hospital del Mar Institute of Medical Research (IMIM) and School of Medicine
Universitat Autònoma de Barcelona
Spain
Adjunct Professor of Epidemiology, Gillings School of Global Public Health, University of North Carolina at Chapel Hill
Deputy Editor, Journal of Epidemiology & Community Health; Editorial Consultant, The Lancet; Associate Editor, European Journal of Clinical Investigation; Co-editor, European Journal of Epidemiology; Member, Editorial Policy Board, Journal of Clinical Epidemiology

Merrily Poth, M.D.
Professor Emeritus, Pediatrics and Neuroscience
Uniformed Services University of the Health Sciences
Bethesda, MD
United States
Associate Editor, Journal of Clinical Endocrinology & Metabolism

Gail S. Prins Ph.D.
Professor of Physiology
Department of Urology
Department of Physiology and Biophysics
University of Illinois, Chicago
United States
Associate Editor, Endocrinology; Associate Editor, Andrology

Emilie F. Rissman, Ph.D.
Professor
Department of Biochemistry and Molecular Genetics
School of Medicine
University of Virginia, Charlottesville, Virginia
United States
Associate Editor, Endocrinology
Editorial Boards, Hormones and Behavior; Journal of Neuroendocrinology; Frontiers in Neuroendocrinology; Neuroendocrinology

Paul E. Sawchenko, Ph.D.
Professor and Wylie Vale Chair
Laboratory of Neuronal Structure and Function
The Salk Institute, La Jolla, California
United States
Associate Editor, Journal of Comparative Neurology

Olle Söder, M.D., Ph.D.
Professor & Chair
Senior Consultant of Paediatric Endocrinology
Department of Women’s and Children's Health
Pediatric Endocrinology Unit; Q2:08
Karolinska Institutet at Karolinska University Hospital Solna, Stockholm
Sweden
President, Swedish Paediatric Society
Associate Editor, Hormone Research in Paediatrics

Ana M. Soto, M.D.
Professor
Integrative Physiology and Pathobiology
Tufts University School of Medicine
Boston, Massachusetts
United States
Associate Editor, *Progress in Biophysics and Molecular Biology*
Member, Editorial board of academic editors, *PeerJ*

Shanna Swan, Ph.D.
Professor and Vice-Chair for Research and Mentoring
Department of Preventive Medicine
Icahn School of Medicine at Mount Sinai
Mount Sinai Medical Center, New York
United States
Associate Editor, *Endocrine Disruptors*

Hugh S. Taylor, M.D.
Anita O’Keeffe Young Professor & Chair
Dept Obstetrics, Gynecology & Reproductive Sciences
Yale School of Medicine
Chief of Ob/GYN
Yale-New Haven Hospital, Connecticut
United States
Associate Editor, *Endocrinology*

Manuel Tena-Sempere, MD, PhD
Professor, Dept Cell Biology & Physiology,
University of Cordoba
Spain
Associate Editor, *Endocrinology*

Frederick vom Saal, Ph.D.
Curators’ Professor
Division of Biological Sciences
University of Missouri, Columbia
United States
Associate Editor, *Endocrine Disruptors*

Zuoxin Wang, Ph.D.
University Distinguished Research Professor
Professor of Psychology and Neuroscience
Florida State University
Tallahassee, FL
United States
Associate Editor, *Hormones and Behavior*

Wade V. Welshons, Ph.D.
Associate Professor
Department of Biomedical Sciences
College of Veterinary Medicine
University of Missouri, Columbia
United States
Associate Editor, *Endocrine Disruptors*

R. Thomas Zoeller, Ph.D.
Professor
Department of Biological Sciences
C. Additional Signatories, including editorial board memberships

Benson T Akingbemi, Ph.D.
Associate Professor
Department of Anatomy, Physiology and Pharmacology
Auburn University
United States
Editorial Board Member, *Endocrinology; Toxicology Letters; European Journal of Toxicological Sciences*

Koji Arizono, Ph.D.
Dean and Professor
Department of Food and Health Environment
Prefectural University of Kumamoto
Japan
Editorial Board Member, *The Journal of Toxicological Sciences*

Scott M. Belcher, PhD
Professor of Pharmacology & Cell Biophysics
University of Cincinnati, Ohio
United States
Editorial Board Member, *World Journal of Clinical Oncology; Current Neuropharmacology; International Journal of Developmental Neuroscience; Endocrine Disruptors*

Dr. Fiorella Belpoggi, Ph.D.
Director
Cesare Maltoni Cancer Research Center
Collegium Ramazzini Executive Council
Ramazzini Institute
Italy
Member, Scientific Committee of the Editorial Board, *European Journal of Oncology*

Carl-Gustaf Bornehag, Ph.D.
Professor in Public Health Sciences
SP Technical Research Institute of Sweden
Karlstad University
Sweden
Editorial Board Member,*Indoor Air, International Journal of Indoor Environment and Health; Environmental Health*

Jean-Pierre Bourguignon, M.D., Ph.D.
University of Liège
Belgian Study Group for Pediatric Endocrinology
Belgium
Editorial Board Member, *Hormone Research in Paediatrics*

Terry R. Brown, Ph.D.
Professor of Biochemistry and Molecular Biology
Johns Hopkins Bloomberg School of Public Health
Baltimore, Maryland
United States

Ernesto Burgio, M.D.
Pediatrician
European Cancer and Environment Research Institute (ECERI), Brussels
President of ISDE SO (International Society of Doctors for Environment Scientific Office)
Italy

Terrence J. Collins, Ph.D.
Teresa Heinz Professor of Green Chemistry
Director, Institute for Green Science
Carnegie Mellon University
United States

D. Andrew Crain, Ph.D.
Professor of Biology
Maryville College
United States

Barbara Demeneix, Ph.D.
Head of the Muséum Dept, Regulations and Development
Head of the CNRS Research unit "Evolution of Endocrine Regulations"
Muséum National d'Histoire Naturelle
France
Editorial Board Member, Molecular and Cellular Endocrinology

Rodney R. Dietert, Ph.D.
Professor of Immunotoxicology
Department of Microbiology and Immunology
College of Veterinary Medicine
Cornell University
United States
Toxicology Book Series Editor - Molecular and Integrative Toxicology (Springer); Editorial Board Member, Endocrine Disruptors

Loretta Doan, Ph.D.
Director, Science Policy
Endocrine Society
United States

Thea M. Edwards, Ph.D.
Assistant Professor
Biological Sciences
Louisiana Tech University
United States

Mariana F. Fernandez, Ph.D.
Assistant Professor
University of Granada
Bio-clinical Research Institute and CIBERESP
Spain
R. William Field, PhD, MS
Professor
Department of Occupational and Environmental Health
Department of Epidemiology
College of Public Health
University of Iowa
United States
Editorial Board Member, Reviews on Environmental Health

Linda C. Giudice, M.D., Ph.D.
Distinguished Professor and Chair
Founder, UCSF Program on Reproductive Health & the Environment
Department of Obstetrics, Gynecology & Reproductive Sciences University of California, San Francisco
President, American Society for Reproductive Medicine
Editorial Board member, Seminars in Reproductive Medicine; Journal of Endometriosis & Pelvic Pain

Louis J. Guillette, Ph.D.
Director, Marine Biomedicine & Environmental Sciences Center
Professor of Obstetrics & Gynecology
Medical School of South Carolina
Professor of the Howard Hughes Medical Institute
United States
Editorial Board Member, General and Comparative Endocrinology

Y. Leon Guo, M.D., Ph.D., M.P.H.
Environmental and Occupational Medicine, Institute of Occupational Medicine and Industrial Hygiene
National Taiwan University National Health Research Institute
Taiwan
Editorial Board Member, International Archives of Occupational and Environmental Health

Tyrone Hayes, Ph.D.
Professor of Biology
Department of Integrative Biology
University of California, Berkeley
United States

Andrea Hinwood, Ph.D.
Associate Professor
Centre for Ecosystem Management
Head of School of Natural Sciences
Edith Cowan University
Australia

Professor C. Vyvyan Howard, M.B., Ch.B., Ph.D., F.R.C.Path.
Nano Systems Biology
Centre for Molecular Bioscience
University of Ulster
United Kingdom
Fellow, Collegium Ramazzini

Eric R. Hugo, Ph.D.
Department of Cancer Biology
Vontz Center for Molecular Studies  
United States

Patricia Hunt, Ph.D.  
Edward R. Meyer Distinguished Professor in Life and Environmental Sciences  
School of Molecular Biosciences  
Washington State University, Pullman  
United States

Taisen Iguchi, Ph.D.  
Professor of Biology  
National Institute for Basic Biology  
Japan

Richard J Jackson, M.D., M.P.H., A.I.A. (Hon), A.S.L.A. (Hon)  
Chair, Environmental Health Science  
Fielding School of Public Health  
University of California, Los Angeles  
United States

Patricia Joseph-Bravo, Ph.D.  
Professor  
Department of Molecular Physiology and Developmental Genetics  
Instituto de Biotecnología  
Universidad Nacional Autónoma de México  
Mexico

Hans Laufer, Ph.D.  
Research Professor  
Director, Laboratory of Invertebrate Reproduction and Development  
University of Connecticut  
United States

Duk-Hee Lee, M.D., Ph.D.  
Professor  
Department of Preventive Medicine  
School of Medicine  
Kyungpook National University  
South Korea  
Editorial Board Member, Reviews on Environmental Health

Rachel Morello-Frosch, Ph.D., M.P.H.  
Professor  
Director Doctor of Public Health Program  
Department of Environmental Science, Policy and Management & School of Public Health  
University of California, Berkeley  
United States

Jane Muncke, Ph.D.  
Executive Director  
Food Packaging Forum  
Switzerland
Angel Nadal, Ph.D.
Professor
Institute of Bioengineering and CIBERDEM
Miguel Hernandez University
Spain
Editorial Board Member, *Endocrine Disruptors; PLoS One*

David O. Norris, Ph.D.
Professor Emeritus
Dept. of Integrative Physiology
University of Colorado
United States

Prof. Dr. Jörg Oehlmann, Ph.D.
Professor in Ecotoxicology
Department Aquatic Ecotoxicology
Goethe University Frankfurt am Main
Germany

Nicolas Olea, M.D., Ph.D.
University Professor
Instituto de Investigación Biosanitaria de Granada
University of Granada
Spain

Edward F. Orlando, Ph.D.
Assistant Professor
Department of Animal and Avian Sciences
University of Maryland
United States

Vasantha Padmanabhan, Ph.D.
Professor
Departments of Pediatrics, Obstetrics and Gynecology, Molecular and Integrative Physiology and Environmental Health Sciences
University of Michigan
United States

Paola Palanza, Ph.D.
Associate Professor
Department of Neuroscience
University of Parma
Italy

Stefano Parmigiani, Ph.D.
Full Professor of Biology
Department of Neuroscience
University of Parma
Italy

Donald W. Pfaff, Ph.D.
Professor of Neurobiology and Behavior
The Rockefeller University, New York, NY
United States
Editor-in-Chief, “Hormones, Brain & Behavior”; and “Neuroscience in the 21st Century”

Beverly S. Rubin, Ph.D.
Associate Professor
Department of Integrative Physiology and Pathobiology
Tufts University School of Medicine, Massachusetts
United States

Joan V. Ruderman, Ph.D.
President and Director
Marine Biological Laboratory, Woods Hole
United States

Arnold Schecter, MD, MPH
Professor
University of Texas School of Public Health
Dallas Regional Campus
United States

Toshi Shioda, M.D., PhD.
Associate Professor of Medicine
Director, Molecular Profiling Laboratory
Massachusetts General Hospital Cancer Center
Harvard Medical School
United States
Editorial board, PLoS One

Martin Scheringer, Ph.D.
Senior Scientist
Safety and Environmental Technology Group
Institute for Chemical and Bioengineering
ETH Zurich,
Zurich, Switzerland.

Niels E. Skakkebaek, M.D.
Professor
University Department of Growth and Reproduction
Rigshospitalet, Copenhagen
Denmark

Howard M. Snyder III, M.D.
Division of Pediatric Urology
Children's Hospital of Philadelphia
United States

Carlos Sonnenschein, M.D.
Professor
Integrative Physiology and Pathobiology
Tufts University School of Medicine, Massachusetts
United States
Editorial Boards, Journal of Steroid Biochemistry & Molecular Biology; Cancer Cell International
Richard W. Stahlhut, M.D., M.P.H.
Visiting Research Scientist
Division of Biological Sciences
University of Missouri
United States

Laura Vandenberg, Ph.D.
Assistant Professor
Division of Environmental Health Sciences, School of Public Health,
University of Massachusetts – Amherst, Massachusetts
United States
Editorial Board Member, Endocrine Disruptors

Catherine VandeVoort, Ph.D.
Professor-in-Residence
Department of Obstetrics and Gynecology
University of California, Davis
United States

Martin Wagner, Ph.D.
Assistant Professor
Department of Aquatic Ecotoxicology
Goethe University Frankfurt am Main
Germany
Editorial Board Member, Endocrine Disruptors

Hong-Sheng Wang, Ph.D.
Associate Professor
Department of Pharmacology
University of Cincinnati College of Medicine, Ohio
United States

Bernard Weiss, Ph.D.
Professor of Environmental Medicine
School of Medicine and Dentistry
University of Rochester, New York
United States

Teresa Woodruff, Ph.D.
Vice Chair for Research
Department of Obstetrics and Gynecology
Northwestern University
Chicago, Illinois
United States
President, The Endocrine Society

Tracey Woodruff, Ph.D.
Director
Program on Reproductive Health and the Environment
2. Disclosures and Conflict of Interest Policy

All signatories/authors were required to complete and sign a disclosure form to answer the following questions. These disclosures were reviewed and summarized below.

1. Authors and signatories to this Commentary are required to disclose any and all commitments, relationships, and other outside involvements related to endocrine disrupting chemicals, financial or otherwise, that could influence, or could be perceived as influencing, the content of this Commentary. Conflicts of interest will be reported in the Commentary.

2. List the source of any grant support for activities related to endocrine disrupting chemicals (e.g. Governmental agency (NIH, etc); Foundation or Not-for-Profit agency (Pew, etc.); Industry (Monsanto, etc.).

3. List any affiliations, interests, activities, transactions or relations that should be considered in conjunction in your relationship to this Commentary when assessing the existence of possible conflicts of interest. Exclude governmental grant support listed above.

All signatories signed the following statement: I declare that I have identified and described on the attached Disclosure Form all commitments, relationships, and other outside involvements of myself and any immediate family member, that are related to endocrine disruption.

Responses from Signatories:

The following people reported no funding, relationships or affiliations related to EDCs:

The following receive research support from governmental agencies in the United States (National Institutes of Health; National Science Foundation; Environmental Protection Agency):

B Akingbemi; S Belcher; F Belpoggi; DO Carpenter; BA Cohn; D Crews; T Edwards; AC Gore; T Hayes; ER Hugo; CM Kline; BP Lawrence; R Morello-Frosch; E Orlando; V Padmanabhan; GS Prins; EF Rissman; A Schecter; T Shioda; A Soto; HS Taylor; C Vandevoort; FS vom Saal; HS Wang; CS Watson; B Weiss; Tracey Woodruff; RT Zoeller.

The following reported support from, or professional relationships with, non-federal US sources:

F Belpoggi, Mount Sinai School of Medicine, NY; DO Carpenter, Passport Foundation; BA Cohn, California Breast Cancer Research Program; T Edwards, Louisiana Board of Regents; T Hayes, HHMI, National Geographic Society, World Wildlife Fund USA, Novartis/Syngenta/Ecorisk, Kapor Foundation, Park Water Company, Marisla Foundation, UC Berkeley Chair Fund, Travel funding (Pesticide Action Network, North America; Center for Environmental Health; National Caucus of Environmental Legislatures); AN Hollenberg, Amgen; C Lange, Arno Therapeutics, Inc.; R Morello-Frosch, Breast Cancer Research Program, California; JP Myers, Kendeda Fund, John Merck Fund, Johnson Family
The following reported support from governmental agencies in the EU, Australia, Japan, or Taiwan:

A Bergman, Swedish Research Council Formas; JP Bourguignon, Fonds de la Recherche Scientifique, Belgium; B Demeneix, National Agency for Research, and National Endocrine Disruptor Research Programme (France); M Fernandez, EU Framework Program; YL Guo, National Science Council, Taiwan; A Hinwood, Australian Research Council, and Arctic Monitoring and Assessment Program; V Howard, NC3R/Medical Research Council, United Kingdom; T Iguchi, Ministry of the Environment, and Ministry of Education, Culture, Sports, Science and Technology, Japan; J Kanno, Ministry of Health, Labour and Welfare, Japan; S Jobling, NC3R; A Nadal, Ministry of Economy and Competitiveness, Government of Spain; N Olea, EU Framework Program; P Palanza, Ministry of University and Research, Italy; S Parmigiani, Ministry of University and Research, Italy; M Porta, Government of Catalonia, Barcelona, Spain; CIBER de Epidemiología y Salud Pública (CIBERESP), Instituto de Salud Carlos III, Government of Spain, Madrid, Spain; D Power, Fundação para a Ciência e Tecnologia, Portugal; NE Skakkebaek, Environmental Protection Agency, Denmark; M Tena-Sempere, EU Framework Program; M Wagner, German Environment Agency; German Ministry for Science and Education; EU Framework Program.

The following reported support from, or professional relationships with, non-federal sources in the EU, China, India:

JP Bourguignon, Belgian Study Group for Pediatric Endocrinology; University of Liège, Belgium; University Hospital, Liège, Belgium; AXA Research Fund; Scientific meeting travel grants from Ipsen, Novo-Nordisk; Conference honoraria from Merck-Serono, Novo-Nordisk; Postdoctoral fellowship grant from the University of Liège (AXA Research Fund); S Jobling, Natural Environment Research Council, DEFRA; JP Myers, Industrial Green Chemistry Congress, India; Travel for workshops/lectures from Pesticide Action Network, Switzerland, Greenpeace China, Food-Packaging Forum, Switzerland; Nicholas Olea, Scientific Committee on Emerging and Newly Identified Health Risks (SCENIHR) of the European Commission; P Palanza, University of Parma; NATO National Council for Research Fellowship; M Porta, Sociedad Española de Epidemiología (SEE) [Spanish Society of Epidemiology]; O Söder, Byggm. Olle Engquist.

Additional disclosures:

BA Cohn: I was co-chair of the committee on the environment for the development of the strategic plan for NICHD. I received no compensation for this work.

TJ Collins: I am in the process of forming a joint company between Carnegie Mellon University and Brunel University to use TAML activators to treat trace pollutants and especially endocrine disruptors in the treatment plants of the European Union. This will be a for-profit company and I will be a part owner.

MF Fernandez: I have been invited by the European Commission, as scientific expert, to prepare recently published international report on state of the science of endocrine disruptors. See: (http://ec.europa.eu/dgs/jrc/index.cfm?id=141O&dt_code=NWS&obj_id=16530&ori=RSS)

J Muncke: Work of the Food Packaging Forum is funded by donations, including from the packaging sector.

M Porta: Member of the Food Packaging Forum Foundation’s Board, a non-profit charitable organization based in Zurich, Switzerland. I receive no financial compensation for my Board membership and duties. Member of the Academic Advisory Board of the Menorca School of Public Health, a non-profit academic organisation based in Menorca, Balearic Islands, Spain. I receive no financial compensation for my Board membership and duties.

L Vandenberg: Provided expert testimony in a civil case involving a product that might contain endocrine-disrupting compounds.

FS vom Saal: I wrote a report for attorneys who were involved in product labeling litigation.
