A) Individual OGTT glucose curves, GW 14-16 (n=497)

B) Individual OGTT glucose curves, GW 30-32 (n=503)

C) Functional principal component 1, GW 14-16. “General glucose level”

E) Functional principal component 1, GW 30-32. “General glucose level”

F) Functional principal component 2, GW 30-32. “Time to peak”
